» Access to Feature-Rich Software

Subscription pricing is available exclusively for Platinum SQL, which gives you access to Tabs3 Connect, HotBackup, AutoRecovery, and many more features allowing you to take full advantage of the 64-bit capability of your computers to become more productive.

» Get What's Right for Your Firm

Only get the software you need. Unlike the traditional upfront pricing, there are no bundles, so you can get the exact number of users/timekeepers you need.

» Two Ways to Purchase

You can choose to purchase a traditional upfront license with an annual maintenance fee, or you can purchase a monthly subscription. To purchase a subscription, you must use a credit card for the recurring monthly payment which will auto-renew each month.

» Customized for When Your Firm Grows

If your firm wants to add or remove users/timekeepers, simply notify your local consultant or call the Tabs3 sales team at (402) 419-2200. When adding users/timekeepers, it can take effect the same day! When removing users/timekeeper, changes will take effect on your next bill.
